

## IN THE MICHIGAN COURT OF APPEALS

### ORDER

Re: **In Re Klich Minors**  
Docket No. **278610**  
L.C. No. **06-030417-NA**

E. Thomas Fitzgerald, Judge, acting under MCR 7.211(E)(2), orders:

On the Court's own motion, the argument section of appellant's brief is STRICKEN because the statutory grounds for termination cited and discussed were not those under which the trial court terminated respondent's parental rights, and thus the analysis of the alleged trial court error essentially results in the lack of an argument on behalf of respondent.

Within 14 days of the date on this order, appellant shall file with this Court an amended argument section, citing and discussing the actual grounds for termination. Appellant may also file an amended cover page listing the correct names of the children involved in this case. Appellee GAL may file an amended responsive brief within 14 days of service of appellant's brief if desired.
